MUSSO & FRANK GRILL HISTORIC BAR

By 1927, Musso's had already become a favorite watering hole for silver screen legends, writers, directors, and studio executives, encouraging the family to expand. In 1935 a legend was born when the Back Room of Musso's was opened with a full-service bar. It was small, intimate, and most importantly, exclusive. Guarded by a very discerning and austere Maitre d', it was THE place to be if you were anyone of importance in Hollywood. The lease on the Back Room would expire in 1954 and was closed, much to the dismay of many of the Hollywood Elite. The legend was reborn when the famous bar from the Back Room was relocated in 1955 to what is now referred to as the New Room at Musso's. The original bar, light fixtures and furniture from 1934 are still used in the New Room today.

Our bar is notorious for classic cocktails, especially our Martini. We serve our Martini stirred and NEVER shaken to preserve the texture of your liquor of choice. We use a smaller martini cup and pour the rest of your drink a small glass decanter placed in a special ice bucket filled with crushed ice where it will rest at the right temperature, so you can enjoy the delicate aromatics of the liquor without worrying of temperature changes.

We serve classic cocktails, not to follow any trend but because we never stopped serving those concoctions since the day our bar opened in 1934.

Enjoy!
